About Us

Global Leadership Network Training Institute (GLNTI) is a registered Technical and Vocational Education and Training (TVET) institution in Kenya, committed to developing competent, transformative, and impact-driven leaders.

GLNTI is also accredited by the ICDL Foundation to offer internationally recognised digital skills programmes, including Artificial Intelligence (AI) courses.

For over 8 years, GLNTI has equipped more than 1,000 leaders and professionals from government, corporate organisations, businesses, faith-based organisations, educational institutions, non-governmental organisations and other sectors with practical knowledge, leadership capabilities and skills for the changing world of work.

We provide industry-driven, competitive and innovative training that integrates transformative leadership, management excellence, business acumen and adaptive digital skills—empowering individuals and organisations to enhance performance and sustainable growth and impact.
